- The trip starts with a 10m (30ft) rappel
- The highest jump is 5m (15ft) but an easy alternative is possible
- Almost every element can be negotiated by taking an easier option
- Some basic swimming skills are an advantage but not required
- Single and Multi Videos are an individualized documentary of the entire trip
- Full Trip video is around 5 minutes long for one person
- The Highlights Video contains just 2 locations in the trip
